

Corbett Prep

2022-23 STUDENT DRESS CODE APPAREL

Corbett Prep's dress code is designed to promote a positive self-image for students and to maintain proper decorum for our learning environment. All items should be clean and in good repair, present a neat appearance and be appropriate for a school setting.

Our Spirit Store is accessible through the Parent Portal and the school website and includes two online shops – Shopify for green polo shirts and girls' polo dresses and B&B Sports for daily shirts and outerwear. **Please place your orders in advance as processing time can take between 4-6 weeks depending on item availability.** B&B submits orders twice a month and lists estimated arrival dates for each ordering window on its website. Orders are delivered to Corbett Prep and distributed.

GREEN POLO

Students will need a minimum of 1 green polo shirt for field trips, special events and performances. Order these through our Shopify site. Shopify also has girls' polo dresses and will add white Fine Arts polo shirts for the Intermediate division choruses later this year.

DAILY SHIRTS

Students are required to wear Corbett Prep or Warriors shirts Mondays through Thursdays. Sweatshirts and hoodies also must have the Corbett Prep school or athletic logo. Parents can shop online from B&B. Please allow 4-6 weeks for processing and shipping to school.

OTHER SHIRTS & SHOES

Corbett Prep shirts from school events, plays and clubs are acceptable on any day. Friday remains a free dress day for students to wear a school-appropriate shirt of their choice.

Shoes must be closed-toed for safety at play and outdoor activities. Athletic shoes are preferred and are REQUIRED for PE and intramural classes.

BOTTOMS

Shorts, pants, and skirts must be a solid color, in good condition and school appropriate. Please avoid pants with rips, holes, or tears. Skirts and shorts must come within 5 inches of the top of the knee.

TIP: Although any solid color is fine for school, students typically are asked to wear black or khaki pants or skirts with the green polo. Purchase bottoms where you like to shop.

MORE INFORMATION

Log in to your Parent Portal or use the QR code to visit the Spirit Store to shop or see available items and prices.
