## **BEEWISE!**

All ages welcome (including parents)! The goal of this activity is to serve as a fun experience to effectively learn more about the characteristics of a hive and about honeybees in general. This information will engage the students and create an awareness to embrace the honeybee vs. fear it. Students will share this information with friends and family and the greater community. Our belief is that the honeybee will thrive if we encourage more local hives, buy local honey, practice a pesticide-free diet, and refrain from using chemical-based products when landscaping. We can collectively make a difference to our world and to the noble honeybee with Mr. Ted Richter and Mrs. Kathryn Smith-Rouse.
